|| Life Predictions ||

Character

You have a certain amount of philosophy in your character but it lies dormant a good deal of the time. You are large-hearted and sincere, though a trifle blunt. You are somewhat proud and people who ponder to your vanity become your best friends. You have high ideals which cannot be realised. When they fail, you allow yourself to be considerably dejected. There is a streak of restlessness in you, which causes you to cast aside an ideal before it has had sufficient time to mature. Consequently, you do not attain the success in life, nor the happiness and comfort, that your qualities merit. You know how to express your opinions in public and you have a neat gift for being humorous. It follows that you are credited by your friends as being jolly good company. Certainly you are entertaining. Your friends by the way, have considerable influence on you and it is highly necessary that you should choose them wisely and deliberately. Your greatest failing is that you are versatile and that your energies are directed into too many channels. Concentrate on fewer branches of work and pleasure, and you will greatly benefit by the change.

Career

Because you find it hard to stay with same job for too long a time, you should find a career in such areas as salesmanship, where you are constantly meeting new people. Your job should provide many transfers and relocations so you will constantly be in new environments with different people and different job responsibilities.

Occupation

You have an excellent memory, excellent health, and plenty of force in your character. All this makes it clear that you were born to command. It hardly matters what the particular line of occupation is, You should do well in it. But where you will chafe is in passing up from junior posts to the executive positions. If promotion is slow, you may become despondent and even spoil your chances by plain speaking. Once you climb up the ladder and reach a good height, your abilities will establish you firmly. From this, it is seen that you will fare better in the higher ranks of service than in the lower. Clearly, it will be wise for you to go cautiously while getting your footing.

Health

You put a high price on your comforts. As an outcome of this trait, you are something of a gourmet and enjoy your food. In fact, you do not eat to live but, rather, live to eat. It is not surprising, then, to find that your digestive apparatus will be the portion of your body which will give you the most concern. Do not neglect such ailments as indigestion and, when they come, do not try to cure them by means of drugs. Take moderate exercise such as walking and mild physical jerks. Breathe plenty of fresh air, put yourself on a rational diet and eat fruit. However, if it prolongs you must visit a doctor. After fifty years of age, beware of inertia. You will be apt to give up this and that, and grow into an individual who loses his hold on life. Keep up your interest in things, develop your hobbies and remember that nobody can grow old if they mix with younger people than themselves.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Second house from Lagna, while in the Moon chart Mangal is placed in Tenth house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
